As a SUNY COLLEGE AT BUFFALO student planning to participate in a credit bearing internship, service-learning, clinical experience, or other community-based experience to fulfill academic requirements:

- I understand that I am choosing to fulfill my requirement through an in-person experience and accept the associated risk;
- I agree to comply with all safety regulations at my community-based site including guidance set forth by the Department of Health, which may include wearing PPE/masks at the site;
- I understand that if I violate the safety policies at my site that I may be dismissed from the site and be subject to a conduct code violation, according to the SUNY COLLEGE AT BUFFALO Student Conduct Code.
- I have been offered alternative online projects (remote instruction and not in-person) which would allow me to fulfill my internship requirement;
- I understand that if I choose not to complete an in-person experience or I become uncomfortable at the site that I can notify the college and receive online projects which will allow me to fulfill my internship requirement.
